

## Brightstar opens

Following effects of the current economic downturn on the heavy construction business **Chuck** and **Collette Russell** operated in Romco, Michigan they moved to Sarasota and have started-up BrightStar of South Sarasota County, 400 S. Tamiami Trail on the corner of Turin Street on the island.

A full service healthcare staffing agency, they provide medical and non-medical homecare to clients and supplemental healthcare staff to corporate clients. "We guarantee compatibility," she said. Each high caliber employee is screened in all 50 states and drug tested.

Russell emphasized their care services accommodate recipients from kids to life care including children with special needs to babysitting for visiting grandchildren. Currently they have three employees and expect this to grow to 100 within a year.

Services are provided 24/7 and Nurse practitioner **Lynn Clement** RN manages the office weekdays 8 a.m. to 5 p.m. Call 412-4070.
