Bright-  
Star of  
Plymouth  
County has  
opened in  
Hingham,  
owned by  
**Ron Villani**,  
a full-serv-  
ice health  
care staffing  
agency that  
specializes

in providing medical and non-medical private-duty home care and health care staffing to corporate clients. Senior citizens make up the bulk of clientele, but the company also works with high-tech pediatric and workers' compensation cases, long-term care, and veteran clients as well as private trust and public-guardian payers, Villani said. BrightStar was started in Chicago and launched franchises in 2005, and has other Massachusetts locations in Walpole and Wakefield.
